CONFLICT OF INTEREST POLICY

ARTICLE I – PURPOSE

Section 1. The purpose of this conflict of interest policy (the “Policy”) is to protect the interests of Les Dames d'Escoffier International, Inc. (the “Corporation”) when it is contemplating entering into a transaction or arrangement that might benefit the private interest of a Director, Officer, or Key Person of the Corporation or one of their relatives. The Corporation will not enter into any such transaction or arrangement unless it is determined by the Board of Directors of the Corporation in the manner described below to be fair, reasonable and in the best interests of the Corporation at the time of such determination.

Section 2. This Policy is intended to supplement, but not replace, any applicable state or federal law governing conflicts of interest applicable to not-for-profit and charitable organizations. This Policy is designed to comply with Federal excess benefit transaction provisions under 26 U.S.C. §4958 et seq. and New York State Not for Profit Corporation Law §§ 715 and 715-a.

Section 3. Definitions of “Key Person,” “Related Party,” and other capitalized terms used in this Policy can be found in Article VII below.

ARTICLE II

RELATED PARTY TRANSACTIONS AND DUTY TO DISCLOSE

Section 1. Under this Policy, if the Corporation contemplates entering into a Related Party Transaction, the Board of Directors must determine if the transaction is fair, reasonable, and in the best interests of the Corporation. A Related Party Transaction is not necessarily a prohibited transaction.

Section 2. If at any time during his or her term of service, a matter for decision or approval comes before the Board of Directors in which a Related Party has a Financial Interest, that Financial Interest must be promptly disclosed in writing to the President and the Executive Director, together with all material facts. The Board of Directors will then follow the procedures set forth in this Policy. Failure to disclose a known Financial Interest or a known potential Related Party Transaction may be grounds for removal from the Board or termination of a contractual engagement by the Corporation.

No Related Party shall vote, act, or attempt to influence improperly the deliberations or voting on any matter in which he or she has been determined by the Board to have a Financial Interest. Any attempt by a Related Party to vote, act, or improperly influence deliberations or voting on any matter with which such person has a Financial Interest may be grounds for removal from the Board or termination of a contractual engagement with the Corporation. All Related Parties with a Financial Interest shall leave the room while such deliberations and voting are conducted, although at the request of the Board, they may provide information regarding the transaction prior to the deliberations.

Section 3. Consideration of Alternate Transactions and Comparability Data. If the contemplated Related Party Transaction pertains to compensation for services or the transfer of property or other economic benefit to a Related Party, prior to entering into the transaction, the Board of Directors must determine that the value of the economic benefit provided by the Corporation to the Related Party does not exceed the value of the consideration received in exchange by obtaining and reviewing appropriate comparable data, including by considering alternative transactions to the extent possible.

Section 4. Voting. The Corporation will not enter into any Related Party Transaction unless it is determined to be fair, reasonable and in the best interest of the Corporation and is approved by not less than a majority vote of the Directors present at the meeting. The Board shall document the meeting contemporaneously as described in this Policy, including its consideration of any alternative transactions. Only Independent Directors shall vote on Related Party Transactions.

Section 5. Compensation for Services. A voting member of the Board of Directors or an Officer who receives compensation directly or indirectly from the Corporation for services or a Director serving as a voting member of any Committee whose jurisdiction includes compensation matters is precluded from voting or acting on matters pertaining to that Director's or Officer's compensation.
